Legislative and regulatory issues have a major impact on the efficiency with which mortgage bankers can conduct business. VMLA uses its political action committee to educate legislators and ensure fair representation of mortgage lending interests. Contributions to the Virginia Mortgage Bankers Political Action Committee fund are encouraged. Please sign and date on the line below the acknowledgement of this and thereby giving permission for VAMPAC solicitations.

Dues payments to VMLA and contributions to VAMPAC are not deductible as charitable contributions for federal income tax purposes. Donations to VAMPAC are used to support candidates for public office in Virginia. Contributions are voluntary and refusal to contribute does not affect membership rights. The portion of dues paid by a member to an organization that conducts lobbying is also not deductible based on the ratio of total lobbying expenses to total dues revenue. Currently that percentage is 15%.

All applications should be returned to VMLA Membership, 638 Independence Parkway, Suite 100, Chesapeake, VA 23320. For questions or additional information call 757-473-2160 or visit www.VirginiaMLA.com.
